## Blow Dry

### **Pre-Treatment Advice**

- 1. For a special occasion feel free to bring along a photograph of the look you desire as a reference for your stylist.
- 2. Wear loose fitting clothing so you can change your outfit without damaging or altering your hairstyle. (Zips tops, cardigans and shirts are all good options)

#### Aftercare Advice

- 1. Regular conditioning treatments and trims will keep your hair healthy and locks looking radiant.
- 2. To maintain the condition of your hair, always wear a hat in the sun and use UV protection when sunbathing or swimming.
- 3. Always use a heat protection product when you are using electrical tools on your hair.
- 4. Ask your hairdresser to recommend a suitable at home hair care regime to look after your locks in between appointments.

## Hair Up

### **Pre-Treatment Advice**

- 1. Your stylist will be happy to suggest styles for your hair up appointment but it may be helpful to bring along a photograph of your preferred style as a reference.
- Please attend your appointment with newly washed hair.
  Wash your hair either the night before or on the morning of your appointment.
- 3. Please do not attend your appointment with heat straightened or curled hair.
- 4. Avoid using hairspray or hair products with a heavy or sticky consistency.
- 5. Wear loose fitting clothing so you can change your outfit without damaging or altering your hairstyle. (Zips tops, cardigans and shirts are all good options).

#### Aftercare Advice

- 1. Be careful removing your top when changing outfit.
- 2. Avoid getting your hair wet. Avoid steam, baths and showers.
- 3. Ask your stylist to demonstrate and recommend an aftercare product to maintain your style.
